

WAREHOUSING LOCATIONS IN SOUTHERN CALIFORNIA

FROM: SCAG RTP 2008, pg 4

<http://www.scag.ca.gov/rtp2008/draft.htm>

Text boxes and location cluster boxes were added.

The map above shows three main warehousing clusters, with a possible fourth cluster being the half circle of warehouses that surround the SR-60. The map below shows a corridor of drayage firms (local trucking delivery companies) that overlap two of the clusters identified in the above map.

DRAYAGE FIRMS LOCATIONS IN SOUTHERN CALIFORNIA

FROM: LA from Empty Ocean Container Logistics study, Tioga group, pg 52
